

The American Legion Non-Member Donors

(Updated 3/2020)

These donors have given their hard-earned dollars to support The American Legion but are not members. The American Legion is the nation’s largest Veterans service organization, committed to mentoring youth and the sponsorship of wholesome community programs, advocating patriotism and honor, promoting strong national security, and devotion and support to our nation’s service members and veterans. The American Legion promotes “Americanism,” which is more than just baseball & apple pie! It’s also citizenship, flag advocacy and etiquette, getting out to vote, supporting scouts and injured veterans, providing health care information and family support, and many more important programs and services.
